

Connection

throughout

treatment

your

journey

The NuvationConnect™ team can help you understand coverage, costs, and care as you navigate your treatment journey with IBTROZI™ (taletrectinib).

NuvationConnect services are available to residents of the United States and its territories only. The health information in this brochure is provided for educational purposes only and is not intended to replace discussions with a healthcare provider. All decisions regarding patient care must be made with a healthcare provider, considering the unique characteristics of the patient.

How we can help*

Personalized Support

Personalized support to help you understand your insurance coverage and financial options

One-on-one Support

One-on-one help from a Nurse Case Manager who can support you during your IBTROZI™ (taletrectinib) journey

Community Resources

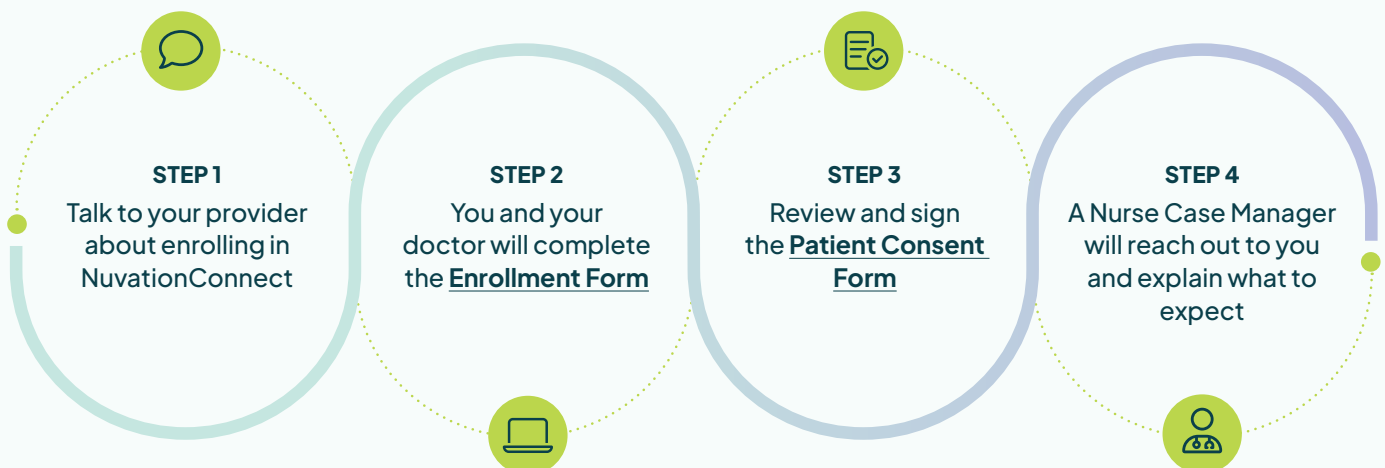

Connection to available community and educational resources

**Terms, conditions, and eligibility criteria apply.*

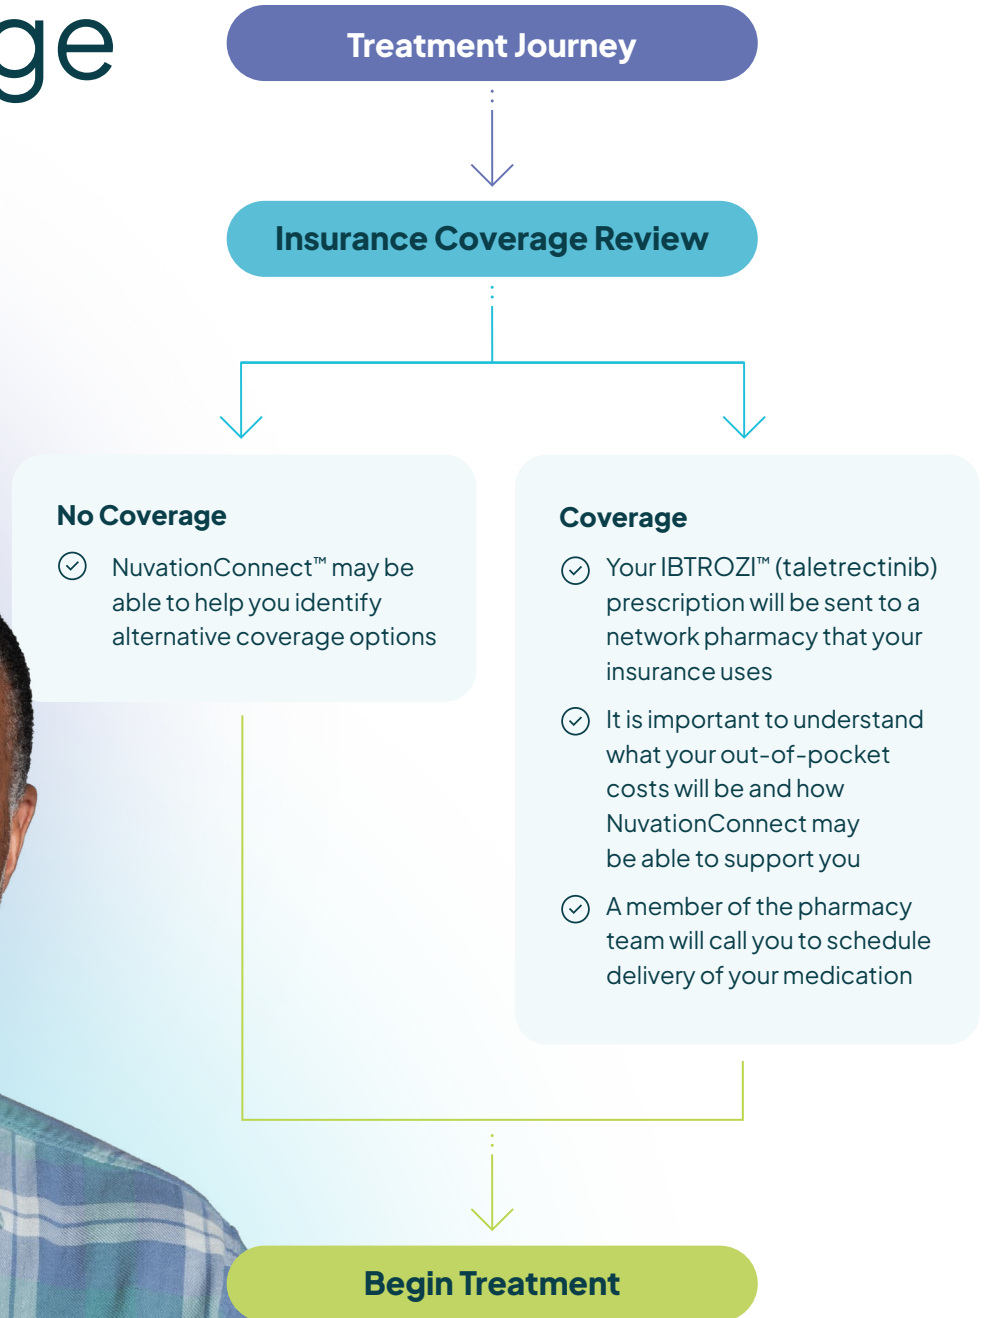

How to enroll

Getting started is easy.

Complete the steps below to enroll in NuvationConnect™:

Coverage journey

If you want to learn more about your insurance coverage or costs, call our Nurse Case Managers at **1-877-NUV-CON1 (1-877-688-2661)** Monday-Friday, 8 AM-8 PM EST.

Additional support*

Advocacy & Education

Patient advocacy groups may provide education, counseling, and psychosocial support to help you along your journey.

Patient Resource Connections is an independent organization that can help you find transportation, medical services, care at home, and other local support within your community.

Financial Support

These organizations may be able to provide financial assistance.

*Independent third-party organizations have their own rules for eligibility. Nuvation Bio has no involvement in their decision-making or eligibility criteria. This information is non-exhaustive and not meant as an endorsement from Nuvation Bio.

Reach out for more information about NuvationConnect™, and we will connect you with the support you need
